

**DO YOU KNOW KIDS WHO RUN AROUND AND LOOK LIKE THIS?....**

**THEY JUST MIGHT BE VANDALIZING YOUR NEIGHBORHOOD!!**

## Is your child a tagger?

Most likely, your child will not leave the home looking like this. But if you find two or more of these implements among his or her things, your child is probably writing graffiti in your neighborhood.

The illustration shows a child in a grey hoodie and blue pants, holding a yellow marker. Various items are labeled with callouts:

- Backpack – Graffiti on backpack, art supplies inside**
- Hood, hat and bandana – used to conceal face from witnesses/hidden cameras.**
- Carrying around fat markers – not for test taking**
- Stencil – for quick tagging**
- Black book – for practice**
- Gloves – to keep paint off fingers**

The child is also holding a blue bag with a stencil and a pair of yellow gloves. An open book with a colorful drawing of a city is shown next to the child.
